

Monitors

V Series

The stunning Acer V Series monitor delivers vibrant visuals and comfortable viewing ideal for extended use. Its cinematic widescreen with Full HD1 resolution and superior contrast ratio presents detailed imagery for prolific multitasking. What's more, this display features power-saving technologies to conserve cost and resources.

Solid, sophisticated look

The panoramic V Series display comes encased in an elegant dark gray bezel matched with a sturdy black stand to form a functional yet stylish design. In addition, smartly positioned controls allow easy maintenance and intuitive use.

Realistic imagery

Graphics comes alive on the V Series monitor, thanks to a very high contrast ratio and Acer Adaptive Contrast Management. The rapid response time presents fast-moving visuals without ghosting. Furthermore, two built-in speakers (optional) deliver sharp sound, while the DVI interface connects you to the latest high-definition digital video devices.

Energy-saving, dependable display

The V Series boasts ultra-low power consumption in standby mode, along with ENERGY STAR® certification. Additionally, it uses mercury-free LED backlight technology to consume up to 68% less power. This monitor has also passed a range of quality and reliability tests to guarantee solid performance over time.
